Research Notes: Mazhar Islam

October 24, 2017

Mazhar Islam's paper “Signaling by Early Stage Startups: US Government Research Grants and Venture Capital Funding,” co-authored with Adam Fremeth of the Ivey School at University of Western Ontario and Alfred Marcus of the Carlson School of Management at the University of Minnesota, has been accepted for publication in The Journal of Business Venturing. Islam is a visiting assistant professor of management at the Freeman School.
