Join us for Freeman's Graduate Reunion Weekend 2018

September 11, 2018

Does your Freeman graduation year end in three or eight? Then join us Nov. 9-10, 2018, for Graduate Reunion Weekend, the Freeman School's annual get-together for master's and PhD program alumni celebrating milestone graduation anniversaries. Graduate Reunion Weekend coincides with Tulane Homecoming and Family Weekend, so in addition to reconnecting with classmates, visiting with favorite professors and exploring the newly constructed Goldring/Woldenberg Business Complex, you'll be able to enjoy the full slate of homecoming activities, including President Mike Fitts' Town Hall, the Wave '18 concert and fireworks display, and tailgating on the quad before the Tulane-East Carolina game. To learn more about scheduled events and register for Reunion Weekend activities, visit freemanreunions.tulane.edu. Questions? Contact Freeman Alumni Relations at 504-862-8497 or freemanalumni@tulane.edu. Roll Wave!
