Join us for Freeman's Graduate Reunion Weekend 2019

June 17, 2019

Does your Freeman graduation year end in four or nine? Then join us Nov. 1-3, 2019 for Graduate Reunion Weekend, the Freeman School's annual get-together for master's and PhD program alumni celebrating milestone graduation anniversaries. Graduate Reunion Weekend coincides with Tulane Homecoming and Family Weekend, so in addition to reconnecting with classmates, visiting with favorite professors and exploring the new Goldring/Woldenberg Business Complex, you'll be able to enjoy the full slate of homecoming activities, including President Mike Fitts's Town Hall and tailgating on the quad before the Tulane-Tulsa game.
