WGNO-TV: Investing During a Pandemic Economy

August 5, 2020

Peter Ricchiuti, senior professor of practice and founder of the Freeman School's Burkenroad Reports securities analysis program, was interviewed by WGNO-TV for a story on investing during the pandemic.

> If you think about where the pandemic started, around March, you had a precipitous drop of about 30 percent over the course of just several days… one of the fastest and biggest drops we've ever seen but it came back right away. So investors are really trying to think ahead of the people who are going to be hurt who will be beneficiaries of the pandemic.
