The Advocate: New Orleans Tech Startup Sells for $500 Million

September 28, 2021

Rob Lalka, Lepage Professor in Business and executive director of the Lepage Center for Entrepreneurship and Innovation, was interviewed by the New Orleans Advocate/NOLA.com for a story about local tech startup Levelset's acquisition by Procore Technologies for $500 million.

> "Construction liens weren't as flashy as being the next food delivery or dating app or a social network, but they accomplished something great by building a product that created value for an overlooked customer, and that should be a wake-up call for other New Orleans entrepreneurs."
