The Guardian: Silicon Valley's right wing notches victories nationwide and at home

November 7, 2024

Rob Lalka, Albert R. Lepage Professor in Business and professor of practice in management, was interviewed by The Guardian for a story about Silicon Valley and venture capitalist support for Donald Trump.

> “With Donald Trump’s candidacy, they have gained immense influence to advance libertarian ideals and move the Republican party away from traditional conservatism, which has been decades in the making,” Lalka said.
