March 27, 2024

Luis Saab (MBA '25)
Baton Rouge, Louisiana

What is a fun fact about you?

I love to play guitar.

From your internship or work experience, what are you most proud of?

I have worked in R&D positions for new product development, and I have launched products in the home care, laundry care and food categories.

Why are you pursuing your MBA?

I want to change my career path to a more strategic direction. I love numbers and business and would like to be a project or new product manager.

What attracted you to Freeman? What do you hope to achieve here?

Freeman has a very prestigious MBA program that's well known around the U.S. I hope to gain skills on how to deal with difficult decisions using business skills.

Where do you hope to be in five years?

As a New Product/R&D/Marketing manager in a consumer goods or chemical industry. Also, I would like to develop my own business idea.

What do you like to do in your spare time?

In my spare time, I like to share with my family, play guitar and run.
