Newsweek: How Donald Trump's New Tariffs Compare to His First Term

April 3, 2025

Peter Ricchiuti, senior professor of practice and research director of Burkenroad Reports, was interviewed by Newsweek for a story contrasting the sweeping tariffs introduced by President Trump on April 2 with the more modest policies he implemented in his first term.

> "The tariffs will be matched by most targeted countries. Tariffs have never worked. They're prosperity killers. The worst part of all this is that these economic wounds are self-inflicted. Until the inauguration, the U.S. was doing very well. Inflation was coming down, we had record corporate earnings, and the highest stock prices ever seen."
