NBC News: Elon Musk has left the White House, but he hasn't left politics behind on X

November 24, 2025

Rob Lalka, Albert Lepage Professor in Business, was interviewed by NBC News for a story about Elon Musk's political posts on X since leaving the White House, which have tended to amplify far-right and fringe causes including embracing British colonialism, purging judges and claiming Mars as a U.S. territory.

> “That is not what most average people are sitting around spending their time on, especially in an economy where real wages are not great,” Lalka said. “Most Americans are worried about the price of eggs right now.”
