# CNET: Anthropic Eyes an IPO as Big Tech's AI Cash Crunch Comes for Wall Street

June 2, 2026

Rob Lalka, Albert Lepage Professor in Business, was interviewed by CNET for a story about the possibility of an Anthropic's IPO, which will enable the company to raise significantly more capital than it's been able to raise on the private market.

> "The scale of it's eye-popping," said Rob Lalka, a business professor at Tulane University. "The fact that this company raised as much as they had raised, and they ran through quite a bit of money pretty quickly as they got here."
