Meet the MBA Class of ’28: Adriana Mehaffie

September 14, 2026

Adriana Mehaffie
An operations-driven MBA candidate with more than eight years of multisite healthcare management experience seeking supply chain and logistics roles. Combines disciplined execution, process improvement expertise and strategic vision to optimize transportation and healthcare operations.

Undergraduate Institution:
High Point University

Fun fact about yourself:
I have traveled to five of the seven continents and love trying new foods wherever I go!

Work experience you're most proud of:
Helping lead operations and marketing across multiple healthcare locations, where I gained hands-on experience in process improvement, team coordination and strategic marketing initiatives.

Why did you want to pursue an MBA:
I wanted to pursue an MBA to build on my operations experience, strengthen my business and analytical skills, and transition into a career in supply chain and logistics.

Why did you choose Freeman:
I chose Freeman for its strong network, collaborative community and connection to my hometown of New Orleans.

Where do you want to be in five years:
I hope to be in a leadership role within supply chain and logistics, helping improve operations and make a meaningful impact.

What do you like to do in your spare time:
I love traveling, trying new foods and spending time with family and friends.
